**TIMOTHY WIENEKE JD, CPCU, AIC, CGA, PPIA**

## **SUMMARY**

Mr. Wieneke is an established insurance and construction professional with over 25 years of experience in construction and property and casualty claims handling. Mr. Wieneke's insurance expertise is in a wide variety of fields from subrogation, property and casualty to commercial. He also has exposures in the handling of complex claims including claims in excess of \$20 million in size and has handled claims on high profile structures such as Hancock Tower and Navy Pier in Chicago, IL. Within his construction experience, Mr. Wieneke began as a carpenter and worked his way up to estimating and managing multiple residential and commercial projects both from the office and in the field. For 10 years Mr. Wieneke was also involved in real estate investing and development and independently acquired, financed, developed and sold or managed multiple residential and commercial properties.
